Advantage Object and Sub-Object Codes

Updated 07/2023

This document provides a list of the State of Wyoming's object and sub-object codes. This information is organized into a table that has three layers of information.

All series are delineated by a dark grey fill and identify the major subject, otherwise known as object class. The description of the series applies to all object and sub-objects within the series.

Example:

100	PERSONAL SERVICES
Series [‡]	All salary and wage compensation for state officers and employees, whether
	permanent or temporary, whether on an annual, hourly, or day wage; institutional
	incentive pay, and employee benefit programs in which the State participates on a
	percentage of employee earnings basis.

Objects are delineated by light grey fill and define a subset of topics within a series. The description of the object applies to all sub-objects within that object.

Example:

0101 [‡]	Salaries: Set by Law

All sub-objects are listed below each object in numerical order and define the specific types of coding within the object.

Example:

	0104.08 [‡]	Annual Leave-Temporary
	0104.09 [‡]	Sick Leave-Temporary

Information on the sub-object is displayed as a note below the title of the code. This information is to be used as a guide on whether to apply this code to your expenditure.

Example:

M	7	0201.08	Heating and Air Conditioning
			Includes system repairs

Special notations further explaining important information about the sub-object will be displayed in italic type-face below the description of the code.

Example:

			Note: Do not use for marketing related services, please use 0901.07

Exclusion from WyOpen is not a legal determination of whether or not the payment is confidential by law. 		tax purposes.				
		<u>Definitions</u>				
		·	njury: Bodily harm or hurt, excluding mental or emotional distress.			
		Non-physi	cal injury: Mental or emotional distress. Emotional distress must be			
		tied to some physical symptoms (e.g. insomnia, headaches, stomach disorders)				
		resulting from such distress.				
		Statutory or Constitutional violation claims: These can be claims like employmen				
		discrimination, violation of procedural rights, etc. These are independent claims				
		from a claim of physical injury or emotional distress.				
M	3	0256.02^{\ddagger}	Personal Injury Awards			
			Punitive Damages			
			Damages awarded over and above the amount necessary to			
			compensate an injured party for the actual loss. Damages awarded as			
			punishment for willful, malicious or fraudulent behavior. Report all			
			punitive damage awards.			
			Damage Awards for Non-physical Injuries			
			Emotional distress awards are to be reported even though they are tied			
			to a physical injury or have a physical manifestation.			
			Awards for violation of Statutory or Constitutional Rights			
			Generally report all compensatory damages for nonphysical injuries or

			sickness, such as employment discrimination, libel, slander, defamation, damage to reputation or character discrimination and emotional distress such as pain and suffering.
			Note: Settlements
			• The IRS is likely to tie any settlement related to an employment
			to back pay, front pay, and severance pay.
			• Therefore, parties should be extremely careful to delineate in
			settlement agreements the nature of the claim or claims being
			settled. Often, settlements may be tied both to salary and to a
			payment which essentially applies to practicality/risk
			management of eliminating extracted litigation. Settlement
			agreements should clearly allocate the nature of the funds.
			 Go to the underlying claims if the settlement agreement does not clearly set out the type of compensation.
			Severance Pay/Back Pay/Front Pay
			An award for back pay is treated in the same manner as salary or wage
			payments. Severance Pay/Back Pay/Front Pay: Pay awards or
			settlements for pay are subject to income tax withholdings and should
			be paid through payroll for W-2 reporting. (See 0100 series object
			codes.)
		0256.03 [‡]	Non-Physical Personal Injury Awards
			Non-punitive damages
			Compensatory or actual damages that compensate an injured party for
			the injury sustained and that make good or replace the loss caused by
			the wrong or injury are not 1099 reportable.
			Non-punitive damages for emotional distress and other non-physical
			injuries or sickness to the extent attributable to a physical injury or sickness are not 1099 reportable.
			Non-punitive damages for emotional distress to the extent of the
			amount paid for medical care attributable to emotional distress (i.e.
			the actual amount paid for medical expenses for treatment of the
			emotional distress) are not 1099 reportable.
M	14	0256.06 [‡]	Attorney Fees: Gross Proceeds Payments
			If paying a settlement amount to an attorney on behalf of the
			claimant, to an attorney and one or more other person or when the
			payment is made payable only to an attorney for services performed
			for others it is a "gross proceeds payment" and reported in Box 14 on
			a 1099.
		0256.07	Consumer Protection Matters
		0256.08 [‡]	Property Damage Claims: Claimant
			An award for harm caused by the state to a claimant's capital assets.
			A payment by the state is intended to make the claimant "whole". Thus, payments to claimants for property damage are not reportable.

This includes new contracts and amendments and/or renewals of existing contracts. Both new and amended contracts and/or renewals of existing contracts should be classified under the correct corresponding object/sub-object. When travel expenses are authorized and included as part of the contract, the payment is to be recorded under the same object/sub-object code you are using to pay for the contracted service. This also applies to copy charges, fax charges and other miscellaneous expenses made by (and billed by) contractors. This is necessary to comply with IRS guidelines. If an agency hires a current State employee to perform services for the State, eve if the services performed are outside the scope of the employee's normal duties, agencies must immediately notify the Payroll Division of the State Auditor's Office at (307) 777-7831.
